

LOOKING FOR FACILITATORS! ENGINEERING AND SCIENCE FESTIVAL

**SATURDAY
FEBRUARY 22, 2025**

The College of Engineering's Micron Student Success Center is excited to announce that we will be hosting the 18th Annual Engineering & Science Festival on February 22, 2025 on campus. This is a free, one-day event for K-12 students and families to explore science, technology, engineering and math.

We are looking for facilitators who can provide students and families with: interactive presentations, hands-on activities, or demonstrations for the community to enjoy across campus.

2024 Event Stats

- 4,000+ participants
- 94% would attend again in 2025
- 66.4% from Ada County
- 21.5% from Canyon County
- 44 activities across campus
- 3 presentations
- 10 demonstrations

BOISE STATE UNIVERSITY

GET INVOLVED!

Host a hands-on activity or demonstration for the community!

Activities may include: visual demonstrations, hands-on exploration and projects, information tables, and interactive presentations.

No fee required to facilitate. Supplies, parking, lunch, and t-shirts will be provided for your team.

EXAMPLES FROM PREVIOUS YEARS

Explore and Inspire with STEAM - Albertsons Library

- Create 3D scans and explore robotic drawing tools

Fun with Engineering - Idaho National Laboratory

- Hands-on STEM activities using static electricity, program Ozobots, and more

Build a Super BristleBot Robot - Reuseum Educational, Inc.

- Use ordinary materials and turn them into robots to take home

Virtual Reality Row - VR1 Arcade

- Experience virtual reality

Jelly Bean Binary - Micron Foundation

- Learn about language of computers

Stomp Rockets - Mechanical Engineering Club at Boise State

- Build and launch soda bottle rockets

Explosive Eruptions - Boise State Geosciences

- Liquid Nitrogen Volcano Experiment

January 7th is the deadline to be a facilitator.

Logistics and more details will be shared by February 7, 2025.

If you'd like to be a facilitator, contact:
