Virtual Appointments During SHIFT Available

Qualifies for the event pricing (e.g., if a WP couple was still abroad during SHIFT they could schedule during SHIFT to meet virtually with an attorney). *Extra pricing for virtual notary services.

**All documents are created under Indiana Law and valid in Indiana. Virtually all jurisdictions/states recognize Healthcare Directives and Powers of Attorney reciprocally. Last Wills and Testaments are also generally accepted in other jurisdictions, but a local attorney should be consulted to ensure that your preferred jurisdiction will honor the document.*
