Creating New Spaces Campaign: We Need YOU to Make It Happen!

GOAL: \$200,000

We have made great strides toward reaching our \$200,000 goal for the **Creating New Spaces** campaign. If you have already donated to this worthy initiative, *todah rabah* – thank you.

Please consider donating to help us reach our goal. If every Women's League member and affiliate donates \$18 or more to the Creating New Spaces campaign, we can finish this important campaign. We are counting on our dedicated Torah Fund supporters, affiliates and regions for this help.

Together let's complete this special project and add it to our list of noteworthy achievements.
