Author Laney Katz Becker
will discuss her new novel,
In the Family Way,
via Zoom!

This book is, at its heart, about the
friendship between a group of
suburban housewives and an unwed
15-year-old mother-to-be in the 1960s
before Roe.

A poignant and powerful novel in the
vein of Lessons in Chemistry and Big
Little Lies, it follows these women as
they help one another navigate
through their personal challenges,
marriages, and their pregnancies –
both wanted and unwanted.
