

MEN & LADIES WEEKEND GOLF

The 10th and final Weekend Men's & Ladies Golf event was held Sunday, August 10, on the Palmer Course. This week, the Men and Ladies joined forces in mixed teams of two men and two ladies. The format featured 1 Net Best Ball from the Men added to 1 Net Best Ball from the Ladies, with members free to choose their own teammates.

Following play, golfers gathered in the Member Tap Room for a GN-sponsored lunch. Week #10 results and credit book winnings are listed below.

We thank all who participated in the 2025 Weekend Golf Series! In addition, the Yearlong Weekend Golf Men's & Ladies Players of the Year were determined, with congratulations going to the top three finishers in each division. These winners will be celebrated at the Closing Scramble and Awards Dinner & Dance on Sunday, September 28.
