

Weekend #9 Men's and Ladies Golf was played on Saturday 8/2 on the Player Course. Absolutely perfect weather greeted the members as the men played an Individual Stableford competition, and the Ladies completed the 2nd and final round of their Eclectic event. The results and credit book winnings are listed below. We look forward to the 10th and final Weekend golf event next Sunday 8/10 in which the men and ladies will be able to form their own mixed teams of 2 ladies and 2 men.
