

## SUNDAY, JULY 27

The second of two GN Family Putting Championships took place Sunday afternoon on The Dance Floor, bringing together a great turnout of GN families. Teams were made up of all kinds of combinations—parents, grandparents, kids, and grandkids—competing in a fun alternate-shot format where adults teed off on odd holes and kids on even.

Leading the way with a score of 56 and winning in a scorecard playoff was the team of **Jon Fiscus and his grandson Jack Enger** (pictured below), earning a \$50 GN Gift Card. Finishing in second place, also with a 56, was **Brian Poustinchian and his daughter Lydia**, who took home a \$30 GN Gift Card. Rounding out the top three were **Matt LeBlanc and his son Clark**, scoring 59 and receiving a \$20 GN Gift Card.

After play, participants gathered in the Member Tap Roomg area to enjoy a build-your-own Ice Cream Sundae bar. A big thank you to all who joined us—we look forward to more GN Family Putting fun in the future!
