

MEN & LADIES WEEKEND GOLF

Weekend Golf #7 took place on Saturday, July 12, on the Player Course. The men led the way with a Net Skins game complemented by a few on-course challenges. Meanwhile, the ladies welcomed their Triple Crown guests and joined in the fun with a themed competition. In keeping with the Triple Crown's "Golf is a Gamble" motto, the women played a blind draw Pick Your Poison format—randomly selecting two par 3s, two par 4s, and two par 5s. Their net scores from those six holes determined their final score for the event.

Credit book winnings and full results are listed below. We're already looking forward to Weekend Golf #8 on Sunday, July 27!
