

The Geneva National Women's three teams concluded their season on June 12 at the Ivanhoe Club in Ivanhoe, IL. The weather cooperated throughout all the matches, making for a successful season. However, it was the first time in several seasons that the ladies did not place in the top positions. The CWDGA will be preparing the team for the 2026 season, and sign-ups for that season will be available in the Women's Member Locker Room in October. If you are interested in learning more about participating in the CWDGA Traveling League for the Northwest Section, please reach out to Tiffany O'Brien at off2work2day@yahoo.com.
