The CAEOP Executive Board would like to invite the schools in your district to participate in the California Association of Educational Office Professionals annual poster contest. The winners will be announced at our Annual Conference held March 19 -21, 2026. The theme is "What I Love about School!" This contest will challenge the students to design a poster, possibly win a cash prize, and acknowledge the school in your county.

Posters selected for final judging will be reviewed by the CAEOP Board of Judges consisting of qualified individuals in the field of education and art. Winners at the state level will receive cash prizes in their respective categories.

Enclosed are complete details regarding the poster contest, along with the entry certification form to attach to each poster. You may duplicate this information and forward it to each school in your district. The deadline for receipt of entries is March 2, 2026, and must be postmarked by that date.
