# KNOW YOUR DIRECTION

WITH THE YMCA OF CENTRAL NEW YORK

The Y is committed to uplifting our community. During the weeks of February 16 -28, we will be hosting different Black-owned and operated businesses at our branches. We encourage you to stop by and check out all our community has to offer.

On Friday, February 27<sup>th</sup>, we invite you to join us for We Wear Black. Join Ys across the country as we celebrate and uplift Black voices and show our commitment to being a multicultural, anti-racist organization. Wear black to signify your commitment and solidarity.
