

Hannukah Toy Drive

About the Drive

This year, PJA and the MJCC are partnering with Path Home to hold a holiday toy drive. Path Home is an inbetween home based in Portland, Oregon that focuses on helping families with kids get back on their feet after periods of houselessness. During the holiday season, we often take for granted that we get gifts, and when a family is coming of the streets, sometimes toys are not the highest priority for the family. Because of this, we ask that as you start your holiday shopping, you grab an extra toy for this donation drive.
