

# Grooming Waiver

Because we care about the safety and wellbeing of all pets, we want to assure you that we will make every effort to make your pet(s) grooming visit as pleasant as possible.

1. If during an appointment it becomes apparent that your pet is not able to be groomed due to aggression/behavior or any other issue, the customer will only be charged for what services have been performed. Minor injuries such as nicks from scissors, or toenail trimmers may result if your pet(s) does not respond to the groomer and remain still during the grooming or toenail trimming procedures.
2. **If your pet has any allergies or medical conditions (epilepsy/seizures, diabetes, arthritis, separation anxiety, asthma, etc.), it is extremely important that you make Ziggy's Feathered Friends staff aware of any medical & behavioral issues so that we can take the necessary steps to ensure your pet's utmost safety and comfort.**
3. Owner assumes all liabilities, financial and otherwise, for the behavior and health of their pet(s). In consideration of the services rendered by Ziggy's Feathered Friends, Owner waives any and all claims, actions, or demands of any nature, foreseen or unforeseen relating to the care, control, and health of Owners pet(s) arising during or after services performed by Ziggy's Feathered Friends.
4. Occasionally, grooming can aggravate a current, or expose a preexisting medical condition. Such medical conditions could arise during or after the grooming procedure. In the event of this situation, The Owner shall not hold Ziggy's Feathered Friends liable. Owner shall not hold the Ziggy's Feathered Friends liable for any skin irritations that may result from grooming procedures or any stressful effects that grooming may have on young, geriatric, timid, or temperamental pets.
