WELCOME

Completely **renovated between 2020 and 2021**, Hotel Villa Pamphili Rome is nestled next to the **Villa Doria Pamphili park**, blending the location's **rich history** with a fresh and **contemporary Italian approach** to hospitality.

Here, you can unwind away from the city's hustle and bustle while easily setting out to explore the wonders of the Eternal City. Its elevated position offers **breathtaking views** of the surrounding greenery and Rome's skyline.

The interior design, crafted by London-based studio **Dexter Moren Associates**, reflects a cutting-edge approach to architecture, giving the hotel a unique and elegant style.

PHILOSOPHY

Our philosophy is rooted in the balance between tangible and intangible elements: from **spaces, connectivity and cuisine** to **service, guest satisfaction and sustainability**. Food, in particular, plays a key role in every gathering: enhancing focus, sparking creativity, and reducing stress. Our spaces, designed with flexibility and functionality in mind, are perfect for hosting any event in grand style.

Our goal is to make **your every wish come true**: to create bespoke, unique experiences from the initial idea to the final moment. We understand that **every event has a purpose**—whether celebratory, educational, or focused on connection—and our mission is to capture that purpose and transform it into a **memorable experience** that exceeds all expectations.

MEETING & EVENTS

At Hotel Villa Pamphili Rome, every event becomes an unforgettable occasion: from the stunning lush park to the pool framed by Mediterranean pines and fragrant blooms and the versatile spaces of the brand-new Congress Center.

The **flexible halls and lounges** combined with the **iconic Terrazza Pamphili rooftop** on the fifth floor, create a unique setting enhanced by **impeccable service, exquisite cuisine** and a **friendly, professional team**.

For the most glamorous evenings, we organize **gala dinners by the pool** or on the **terraces of the Ristorante AcquaViva**, turning every moment into a true event.

The 13 meeting rooms, spread across three levels—Ground Floor, Terrace Level, and Pool Level—are named after prominent Roman aristocratic families, celebrating the city's historical heritage. All rooms boast **natural light, state-of-the-art audio-visual technology, soundproof walls** and fully **modular spaces** designed to meet any business or entertainment need.

FOOD & DRINKS

At Hotel Villa Pamphili Rome, dining becomes the perfect partner for creating unique events. This exclusive venue, surrounded by nature, offers versatile spaces, verandas, foyers and settings ideal for **coffee breaks, welcome cocktails, or gala dinners.**

Our culinary offerings are built around **innovative food design concepts**, where the **finest ingredients** meet surprising flavors and meticulous attention to **logistics and timing**. The gastronomic experience, inspired by **Italian tradition** yet enriched by a **creative and modern twist**, ensures **flawless service** even for large-scale events, without ever compromising on excellence.

Whether it's a panoramic aperitif, a buffet on the veranda, or an elegant gala dinner, Hotel Villa Pamphili Rome **showcases culinary excellence** as an added value, giving every event a touch of exclusivity and prestige.

ROOMS & SUITES

After a busy day of meetings and presentations, taking a moment to relax is essential. Our 235 rooms, renovated between 2020 and 2021, are designed to provide a rejuvenating pause in an environment that combines **contemporary style with Art Deco charm.**

Spread across five floors, the rooms feature **spacious, bright and soundproofed interiors**, thoughtfully crafted to recharge your energy and help you refocus. Each room boasts a **private balcony** overlooking the greenery—perfect for enjoying fresh air or simply admiring the view. High-speed wifi, state-of-the-art multimedia systems and attentive room service complete the experience, catering to all **business travel needs**. The serene and enveloping atmosphere of our rooms sets them apart, offering the perfect retreat after a demanding day of work commitments.

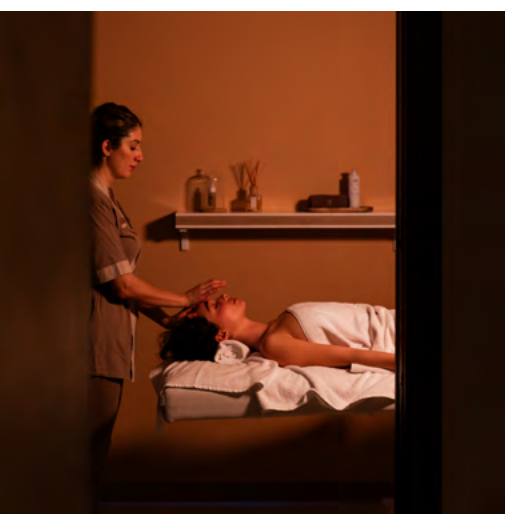

WELLNESS & FITNESS

After intense work sessions, meetings, and conferences, Hotel Villa Pamphili Rome provides everything you need to recharge both body and mind. The **V-SPA**, a wellness oasis spanning **800 sqm**, is designed to offer **holistic therapies and innovative treatments**, blending ancient rituals with cutting-edge techniques. It's an invitation to rediscover balance and tranquility, leaving you renewed and ready to tackle your next goals with vigor.

Our **two gyms** are equipped with state-of-the-art equipment. You can opt for tailored **personal training sessions**, exercise in the hotel's lush outdoor spaces, or even by the pool, combining effective workouts with the pleasure of being outdoors.

Whether you're here for an important conference or an exclusive event, the V-SPA and V-Gym offer a **sanctuary of wellness**: an experience designed to help you regain inner calm and return to your professional commitments with sharp focus and clarity.

LEADING WITH PURPOSE

Our Commitment to People, the Planet, and the Future

For us, hospitality is more than a warm welcome—it's the first step in a broader journey rooted in **respect for the environment, people, and society as a whole**. By earning the **DCA ESG Certification**, Hotel Villa Pamphili Rome brings this vision to life, **placing human well-being and environmental stewardship at the heart of its mission**.

Our property has achieved excellence across **four key areas outlined by the certification: Human rights and working conditions; Customer, user, and consumer relations; Community engagement and development; and Data protection and cybersecurity**.

But this recognition is far from a final destination—it's a starting point. A call to action. We've already launched several meaningful initiatives, from an **electric mobility system** and a partnership with **Ethic Ocean** to protect marine ecosystems, to the **conscious choice of WAMI water, FSC-certified recycled paper**, and the ongoing **reduction of single-use plastics**.

We are laying a strong foundation for a **future-forward hospitality experience**—one where excellence and sustainability go hand in hand, and every stay becomes a part of something greater.
