Assessor's Message

I am pleased to present the 2024 San Luis Obispo County Assessor's Office Annual Report. This report captures the results of the assessment roll produced by my office each year in accordance with state law and regulations. All property reported in the assessment roll serves as the basis for the application of the tax rate established under Proposition 13 as well as assessments and charges approved for annual property taxes.

The annual assessment roll is the culmination of events occurring during the prior year. For the 2023-24 period, our county experienced a moderate increase in values. Residential properties remain in short supply, and high interest rates slowed the pace of home sales. Given these conditions, there were fewer re-appraisable changes in ownership than in prior years. New construction slowed substantially during the past year. A decrease in construction permits resulted in less new construction value being added to the assessment roll.

Due to the passage of Proposition 19, our county continues to see an influx of owners transferring their base values to San Luis Obispo County. All of this contributed to moderate property value increases recorded by my office.

The annual assessment roll growth of 5.03% reflects the easing of home prices, an increase in the value of business properties, and the continued effects of high inflation. For 2024 the total assessed value of all property is \$74,758,605,728. Exemptions provided under the law totaled more than \$1.8 billion.

I want to take this opportunity to commend the staff of the Assessor's Office for performing their roles in providing excellent public service and valuing property with accuracy and fairness. It is our pleasure to serve you.

Tom J. Bordonaro, Jr.
County Assessor

A handwritten signature in blue ink that reads "Tom J. Bordonaro, Jr." in a cursive script.

Serving the People

The office of the Assessor is dedicated to serving the people of San Luis Obispo County. Each day we strive to provide the best possible public service. Our community is comprised of amazing and wonderfully unique individuals. We endeavor to provide a public service as great as the people of our area.

The role of the Assessor is to locate and value all taxable properties within the County. We set assessed values based upon the principles contained in the Mission Statement, Guiding Principles of the office, and California Revenue and Taxation Code. Property owners can rely on our work because it is conducted fairly and equitably.

Mission Statement

The Assessor and staff seek excellence in providing information, services and accurate property assessments through our personal commitment to integrity, mutual respect, and teamwork.

Guiding Principles

- Maintain focus on positive end results
- Practice and encourage direct, honest, and respectful communication
- Treat each other with respect
- Develop an environment free of retribution and gossip
- Everyone has an equal right to be heard
- Listen with respect and empathy
- Be committed to follow through

Proposition 13

Protections for Taxpayers

For more than forty years, property taxes in California have been governed by the provisions of Proposition 13. All property types are currently treated equally under Proposition 13, which was the result of a taxpayer revolt against rapidly increasing property taxes in California.

The citizens' initiative known as "The People's Initiative to Limit Property Taxation" was approved by voters in June 1978. The measure placed into the California Constitution strict limits on the valuation and taxation of real property.

Proposition 13 limits property taxes to 1% of a property's assessed value. The property's assessed value equals the property's base value (the property's appraised value at the time of the change in ownership), plus an inflation factor (limited to no more than 2% per year) as determined by California's Consumer Price Index (CPI). For example: If a homeowner has held a property since Proposition 13 was adopted, then their home is taxed based on its assessed value in 1975 plus the annual inflation factors.

Property tax assessment increases on all properties are limited to no more than 2% per year as long as the property does not have a change in ownership or any new construction. When ownership changes or new construction is completed, the property is reassessed at its market value, or the value of the new construction added to the existing assessment.

The reforms under Proposition 13 have provided property owners with the ability to estimate their future property taxes, and to determine the maximum amount their taxes can increase as long as they continue to own the property.

Proposition 19

Assisting Property Owners with New Rules

Voters in California approved a change to the State Constitution at the November 2020 General Election that significantly affects property taxpayers. The measure, known as Proposition 19, impacts tax benefits for families, seniors, severely disabled persons, and victims of natural disaster.

INHERITING PROPERTY

Proposition 19 is a Constitutional Amendment that imposes new limits on property tax benefits for inherited family property. Under Proposition 19, a child or children may keep the lower property tax base of the parent(s) only if the property is the principal residence of the parent(s) and the child or children make it their principal residence within one year of transfer.

TRANSFER OF PROPERTY TAX BASE

The other component of Proposition 19 allows homeowners who are over 55 years of age, disabled, or victims of a wildfire or natural disaster, to transfer a lower assessed property value of their primary home to a newly purchased or newly constructed replacement principal residence up to three times (or once per disaster). The tax base may be transferred to a property located anywhere in the state.

Proposition 19 changes two programs currently administered by county assessors:

- **Parent-Child Transfers (Prop. 58) and Grandparent-Grandchild Transfers (Prop. 193), effective February 16, 2021**
- **Senior Citizen and Disaster Relief Tax Base Transfers (Prop. 60/90, 50/171) effective April 1, 2021**

Implementing Proposition 19 is a major challenge that regrettably will result in turbulent times for taxpayers. The Assessor's Office will endeavor to work with each property owner impacted by the changes under Proposition 19 to maximize tax savings and benefits.

Decline in Value

Proposition 8

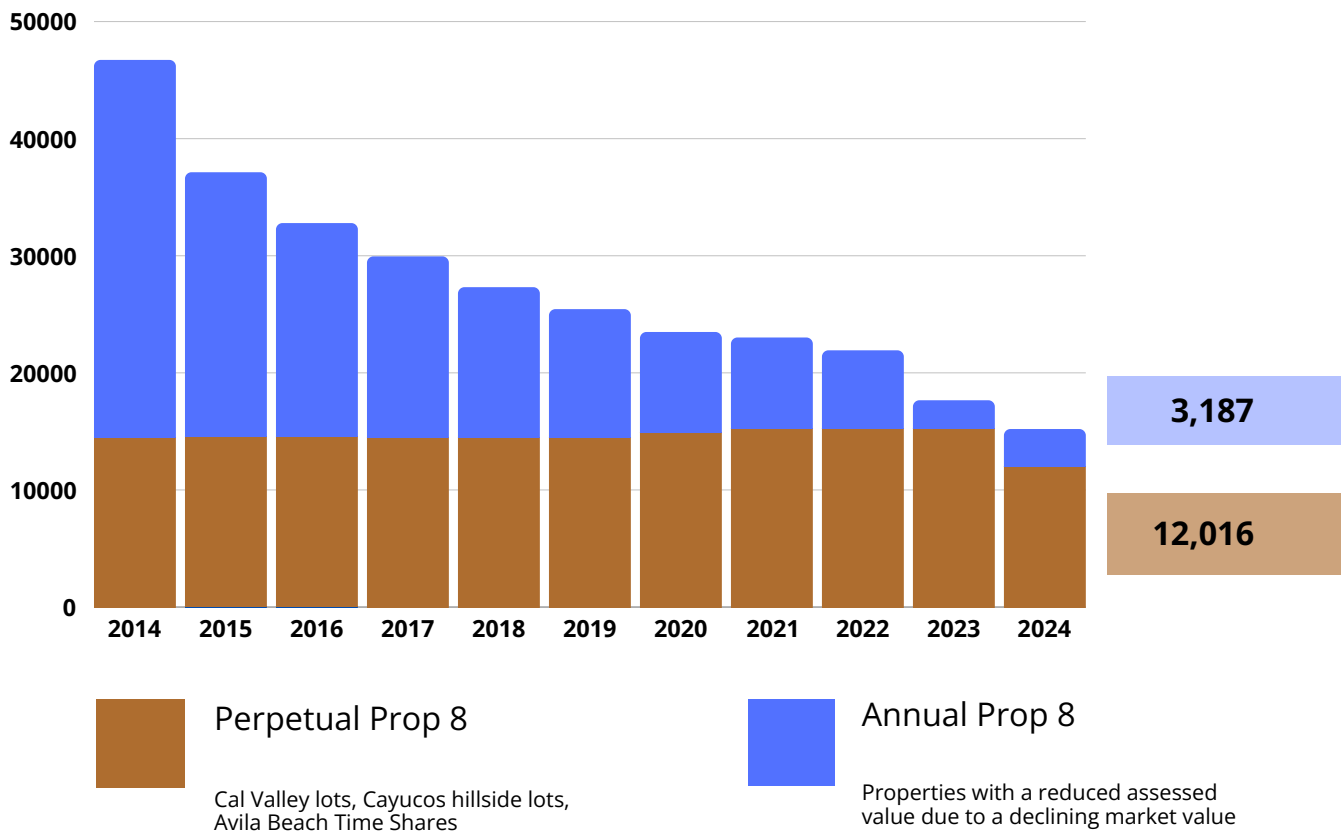

Proposition 8 allows a temporary reduction when the market value of property has fallen below its factored base year value as of the January 1 lien date. Once a Proposition 8 reduction has been enrolled, the property's assessment must be reviewed annually to ensure that the lesser of the market value or the factored base year value is enrolled.

The property's base year value continues to be factored at a maximum of 2% per year, setting its maximum assessed value. As the market recovers, the market value of a property will increase based on market conditions. Proposition 8 value increases are not restricted to 2% growth. The value enrolled will follow the market growth rate until the market value exceeds the factored base year value, at which time the lower factored base year is enrolled.

Factored base year value: the value established as of the date of acquisition and/or completion of new construction. This value is adjusted each year by an inflation factor. The inflation factor is the lesser of 2% or the California Consumer Price Index (CCPI) rate.

Number of Properties with Reduced Assessments

15,203 for 2024

Public and Technical Services

We are dedicated to providing outstanding service to the public

The Assessor's office is dedicated to outstanding service. In order to provide the best service possible, two locations are available to the public. Customer access to the San Luis Obispo office and the North County office in Atascadero is easy and efficient. The office handles public requests by office visits, phone, fax, and emails. The dedicated team of Public and Roll Services is ready to assist taxpayers with friendly, helpful service.

To better serve the public, the Assessor's website has been updated with an interface to the **Property Inquiry Portal**. <https://propertyinquiryportal.slocounty.ca.gov/>

The public may now use their APN (Assessor's Parcel Number) to look up:

Land and Improvement Values

Addresses (both situs and mailing addresses)

Property Characteristics

PDF files containing Parcel Maps (by book number)

- North County service center provides easy access to the public
- Property searches and property reports are available to the public
- San Luis Obispo Office receives more than 3,800 calls per quarter to provide easy access to the public

Workload Accomplishments by Assessment Type

Workload Performance

Triggers Worked	2023	2024	2023 to 2024
Reappraisable Transfers	11,139	11,910	6.92%
Non Reappraisable Transfers	10,292	10,393	0.98%
Total Permit Workload	14,798	15,329	3.59%
Total Prop 8 Value Reductions	17,386	14,367	- 17.36%
All Triggers: Complete & Incomplete	53,615	51,999	- 3.01%
Percentage of Triggers Completed	97.20%	97.80%	

"Triggers" are the units of work performed by Assessor staff toward the completion of the annual Assessment Roll. Outstanding performance in completing the work units resulted in **97.80 percent** of all work units being completed before roll close.

Newly Created Parcels

2019 to 2024

Every year the County Assessor responds to a variety of recorded documents that change the number, size, and configuration of Assessor’s parcels within the county. New parcels are created through various methods such as lot splits and mergers; however, the method that creates the most new parcels is a Subdivision Tract Map. Subdividing occurs when a larger parcel of land is divided into smaller parcels. Through the County Recorder’s Office, Subdivision Tract Maps are recorded to subdivide a parcel into four or more parcels. The Assessor reacts to these recorded Subdivision Tract Maps so that the Assessor’s Maps are updated to reflect the new parcels and parcel configuration. This is done for assessment purposes.

The fluctuation represented in our annual roll close chart, which shows the number of parcels created during the last five years, illustrates that during some years, more Assessor’s parcels were created than during other years. Inasmuch as recorded Subdivision Tract Maps create the most parcels, it is reasonable to assume that more Subdivision Tract Maps were recorded during the years that more new parcels were created. Land development over the last five years has occurred throughout the County, but a majority of new parcels can be found in the Nipomo area and the cities of San Luis Obispo and Paso Robles.

New Parcels Created During the past 5 years

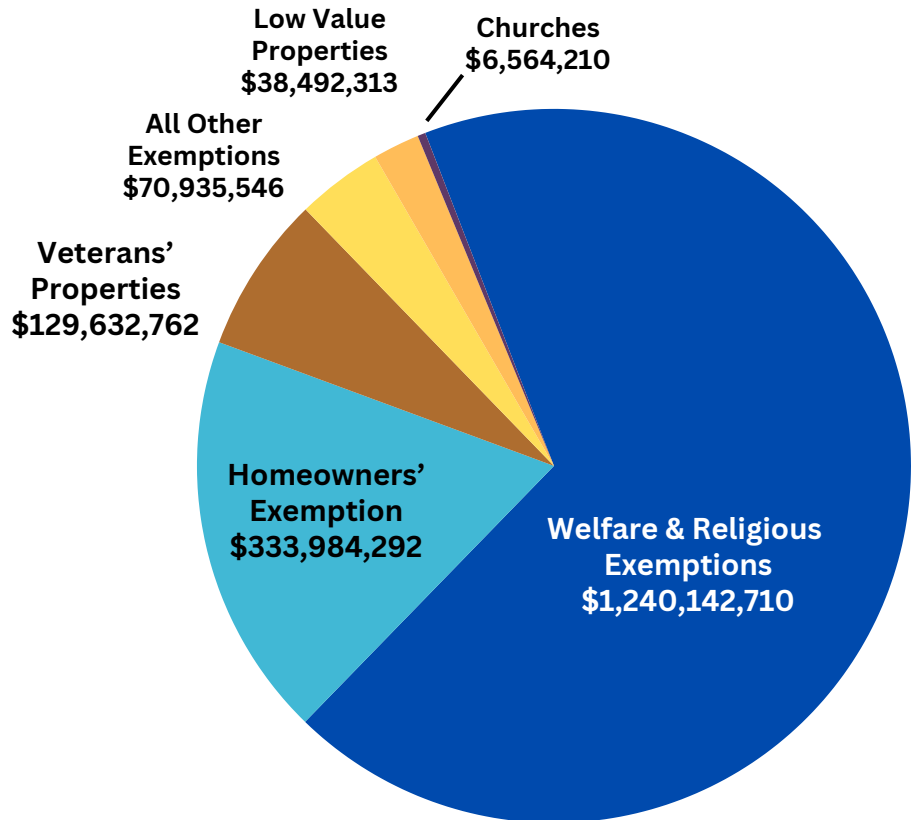

Exemptions

\$1,819,751,833 Total

Savings for veterans, homeowners, and community organizations

A property tax exemption provides for either a reduction in property taxes, or in some cases, no property taxes at all. The most common exemption is the Homeowners' Exemption. Property owners must meet certain guidelines in order to qualify for any of the exemptions.

Exemption Type	2023	2024	Change
Homeowners' Exemption	\$ 332,782,008	\$ 333,984,292	\$ 1,202,284
Welfare and Religious Properties	\$ 1,163,968,469	\$ 1,240,142,710	\$ 76,174,241
Low Value Properties	\$ 42,776,313	\$ 38,492,313	\$ (4,284)
Veterans' Properties	\$ 111,243,097	\$ 129,632,762	\$ 18,389,665
Churches (Sec. 3f & 4d)	\$ 6,861,002	\$ 6,564,210	\$ (296,792)
All Other Exemptions	\$ 47,685,150	\$ 70,935,546	\$ 23,250,396
Total Exemptions	\$ 1,644,766,625	\$ 1,819,751,833	

Homeowners' Exemptions by Community

Community	Residential Assessments	Homeowners' Exemptions	Percentage with Homeowners' Exemptions
Arroyo Grande	10,948	5,852	53.45%
Atascadero	12,613	6,579	52.16%
Cambria	7,816	2,205	28.21%
Cayucos	2,723	622	22.84%
Grover Beach	4,292	1,698	39.56%
Los Osos	5,951	3,139	52.75%
Morro Bay	4,792	1,838	38.36%
Nipomo	9,529	4,685	49.17%
Oceano	2,161	672	31.10%
Paso Robles	12,501	5,854	46.83%
Pismo Beach	4,637	1,593	34.35%
San Luis Obispo	14,198	6,460	45.50%
San Miguel-Shandon	4,355	1,621	37.22%
Templeton	2,040	843	41.32%

Only property utilized as a primary residence is eligible for the Homeowners' Exemption. The trend toward vacation homes, second homes, and rental property continues in most of San Luis Obispo County.

Where Your Tax Dollars Go

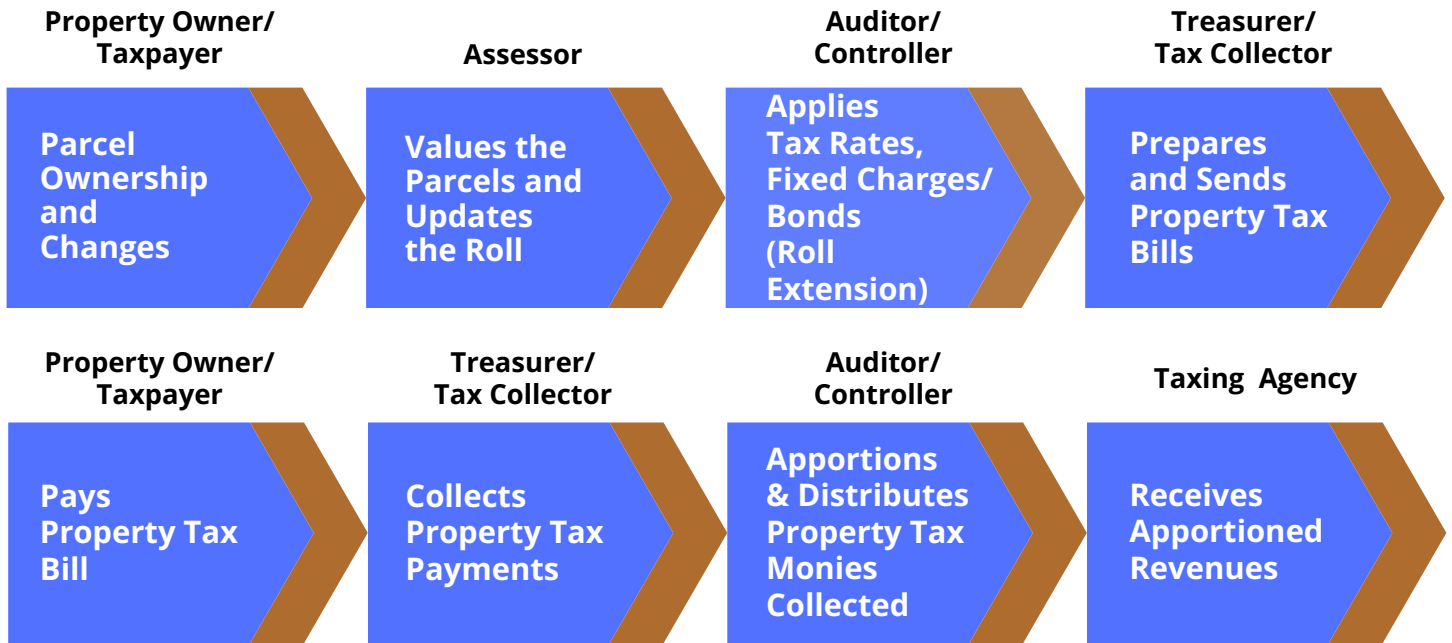

Property Tax Revenue Distribution by Government Agency

2024-2025 Property Tax Revenue
\$756,987,321

Includes local and state assessed utility property
Excludes aircraft and includes estimated roll adjustment

The Property Tax Cycle

Forty of California’s 58 elected County Assessors gathered in Pismo Beach for the Annual Conference of the California Assessors’ Association. San Luis Obispo County served as host for the annual meeting in October, 2024. County Assessors are independent constitutional officers of the State of California under the provisions of the California Constitution.
