

Gayle Jenkins - Salesperson, Re/Max Pines By The Sea - Cambria

I am a full-time REALTOR® with RE/MAX Pines by the Sea and have been honored to serve our Central Coast community since relocating here in 2013. My husband and I owned and operated A Matter of Taste, a gourmet kitchen and home store in Cambria, until 2020. That experience not only strengthened my business background but also deepened my connection to our community and its people.

Over the years, I've had the privilege of serving in many leadership roles. Locally, in 2025, I served as Chair of the Education Committee and Treasurer for SLOCAOR. At the state level, I've enjoyed contributing to committees that have expanded my understanding of how our work impacts communities across California. I also serve on the Cambria Chamber of Commerce Board and the Cambria Community Scholarship Foundation.

I am truly excited to step into my new role as 2026 President-Elect for SLOCAOR. The opportunity to serve, collaborate, and learn alongside so many dedicated professionals has been both educational and inspiring. Each role I've held—from Treasurer to committee service—has given me a broader perspective on the challenges and opportunities facing our region.

I look forward to continuing to give back to our members and helping strengthen both our association and the communities we serve.
