

Tim Townley - Broker-Associate, Comet Realty - San Luis Obispo

Thank you for the opportunity to serve as the 2026 President for the San Luis Obispo Coastal Association of REALTORS®. I enjoy a personal relationship with C.A.R.'s newest Leadership Team (President, President-Elect, and Treasurer), and that relationship will enable me to bring the SLO Coastal issues directly to the table when needed.

My message for my term in leadership is simple – **homeownership matters**. It is the key to generational wealth, and as opposed to renting, it gives the homeowner a real link to the community.

Our job as REALTORS® is to guide our clients through the ever-changing process of buying and selling their property as smoothly and pain-free as possible. I'll do everything in my power to help our association continue to focus on taking care of our clients by encouraging education and outreach to the community as to the value of using a REALTOR®.

Thank you again for the opportunity to serve.
