

Leslie Dougherty - Broker, Central Coast Sotheby's International Realty - Cambria

I'm Leslie Dougherty, Broker-Owner of Central Coast Sotheby's International Realty in Cambria, and I'm proud to be a member of the SLO Coastal Association of REALTORS®. I'm enjoying Board service—it gives me an active voice in shaping how we practice real estate with our colleagues and protecting property rights for the property owners we serve.

I deeply believe in homeownership, and the highlight of my career has been representing each of my children in their first home purchase. I'm an entrepreneur at heart; real estate has been the vehicle for my own dreams, and I want that same path available to others.

My leadership style is quiet and collaborative: listen first, prepare well, and negotiate thoughtfully. And personally, I'm grateful every day to live on the Central Coast—it's truly heaven on earth here.
