Note

Different pro's are available on different days, if you are looking for a specific person to have your lesson with look for their name and the dates they have available. See more information about professionals and what they offer lessons for at the top of this document or check out the <u>MVCC</u> website.

Step 3: Select the link to open the registration page for private lessons. It will look like the image on the next page and give more information about how to register if your times are different than the standard 1 hour private lesson.

Step 4: Select	Prev Event Glenn Private Lessons Next Event								
the drop-down menu (seen in	Print Send To A Friend Sync Event

Step 5: Another page will pop-up that will ask you to again select a drop-down menu with the available times for lessons, however, this time it will show you the actual availability of the lesson times.

As you can see in the image to the right, 10:00 AM is not available and is already reserved.

Select the time you want to register for that is available.

Step 6: Yet another pop-up box will appear, we're almost done!

If you are registering for someone else and they are a member you can remove your own name and add their name. If not you can just register under your own name and add information in the notes boxes below.

*Note*The number of people joining the lesson is a required question, so it will not let you submit your registration until you have answered that question.
