

WE CAN PREVENT COVID-19!

YOUR PREVENTION CHECKLIST:

✓ Cover your face with a mask when you are out of your house

✓ Avoid crowded, in-door spaces

✓ Wash your hands frequently

✓ Keep your social activities to a small group of family or friends who are also taking action to stay safe

✓ Keep a physical distance of 6 feet between you and others

If we each take responsibility, we can prevent COVID-19 and protect our loved ones and our community.

If someone you know suspects or knows they've been exposed to someone with COVID-19, they should quarantine and get a COVID-19 test.
