The which foods have been fermenting at Tiptree, Essex, since 1850, and making quality preserves there since 1950. We're proud to have been producing kosher certified products for many decades including Tiptree Jam, Curd, Honey, and Spreads. Our long standing relationship with the Rabbinic Division of the London Beth Din has ensured compliance with the Tiptree Factory, all processing site and ingredients are thoroughly checked and, where necessary, tested to meet the highest standards set by the Beth Din. Our Tiptree's, Jam, Black Currant, Raspberry, and Strawberry (Tiptree's) preserves are kosher certified and available for Passover. Tiptree is currently sold in over forty countries, and is well as being kosher certified in the UK, there is much interest from abroad, particularly America and Israel.
