SPREAD A LITTLE HAPPINESS

The Tiptree family have been farming at Tiptree, Essex, since 1755, and making quality preserves there since 1900. We're proud to have been producing better quality products for many decades including Tiptree for Tiptree, Jam, Curd, Honey, and Marmalade. Our long-standing relationship with the National Union of the Tiptree Jam Co has ensured consistency within the Tiptree family, all preserving and ingredients are thoroughly checked and, when necessary, enhanced to meet the highest standards set by the National Union of Tiptree, Jam, Curd, Honey, and Marmalade. Tiptree is currently sold in over 20 countries, and as well as being better certified to the UK, there is much interest from abroad, particularly America and Israel.
