Brondesbury Park Synagogue Nursery is an Ofsted registered Jewish nursery catering for children 18 months – 5 years. Our brand new purpose built nursery consists of 3 classes and has an extra spacious hall which is used for our music and movement sessions.

We provide high quality care encouraging and stimulating children in a loving, accepting, and happy Jewish environment. The nursery is run under the auspices of the United Synagogue.

Our objectives in the curriculum are to ensure that we help children develop a love of learning and education in all seven areas of learning in the EYFS.

We believe that every child is a unique individual that learns and develops at their own pace. We aim to develop the whole child - intellectually, socially, emotionally, and physically. The children discover and explore other multicultural and secular activities and learning opportunities.

Every child is allocated a 'Key teacher' who is responsible for their wellbeing, ensuring your child feels individual, secure, and cherished. All our staff are highly qualified.

Brondesbury Park Synagogue Nursery creates a safe, stimulating, fun and challenging environment for your child by learning through play, discovery, and new exciting experiences. We are committed to the development of your child and working in partnership with you.

We are open Monday – Thursday 9:00am – 3:30pm and Friday 9:00am – 12:30pm.

We offer a nutritious hot lunch every day, which the children thoroughly enjoy as they dine with their nursery friends and learn practical life skills. On Fridays we have a Shabbat party, which all parents are welcome to attend.

Parents' Testimonials

'You are a very special team and between you all, you have all that any parent could possibly ask for.'

'By the time he graduated from BPSN, our son had enough foundation to spontaneously start reading over the summer, do basic adding and writing the alphabet.'

'The nursery is a wonderful place staffed by exceptional people and you should feel proud of it'

Bushey Gan is based in Bushey Shul and is spread over four different classrooms. We take children aged between 2-5 years old, and the children are spilt into the different classrooms depending on their age in the mornings and are all together for lunch and the afternoon sessions. This gives the children the opportunity to spend time with their individual cohort and different aged children too. We love to see the different aged children learning valuable skills from each other.

The nursery is open from 8.30am - 4.00pm Monday - Thursday and 8.30am-12.15pm on a Friday. We follow the Early Years Foundation Stage curriculum (EFYS), which ensures that the children develop to their fullest potential whilst instilling independence and confidence and a love of learning in a warm and nurturing environment.

The children are provided a hot, 2-course meaty lunch which is gluten, wheat, soya, egg and nut free and they eat this with their friends where they greatly enjoy socialising with each other.

We have weekly yoga and mindfulness classes led by a qualified instructor where the children learn how to be kind and thoughtful to their families and friends, and they learn many basic yoga poses.

The nursery underpins the Bushey community, and the children learn to celebrate Shabbat and Chaggim, as well as learning about many other cultures and their celebrations.

Parents' Testimonials

'I am very happy that I am able to send my son into an environment that is warm and caring. I am confident when I leave my son at the door that he will have a well-supported and happy session. I couldn't be happier.'

Woodside Gan have two classrooms, one for the 2-3 year olds and one for our pre-schoolers. The children spend some of their time all together and it is lovely to see how they learn from each other. However, we feel that those in the pre-school year benefit from some time in their own classroom to really have an opportunity to flourish.

All children also free-flow into our fantastic outdoor space which is really large and wonderfully designed to be an outside classroom as well as a vast space for physical freedom. The core hours of nursery are 9.15 until 1.15 which includes a fresh lunch made on site. There is breakfast club from 8am and afternoon club until 4pm (except for Fridays).

We allow parents to pick their days and hours and only pay for what they have booked. We are child led and this means each child's key worker is committed to helping each individual child reach their full potential in a different way. All children learn all about the Jewish way of life, through celebrating Shabbat and Chagim. We are wonderfully positioned to enable us to enjoy lots of outings.

Parent Testimonial

My children absolutely thrived at Woodside Gan. All the staff showed such care and interest in each of them. They really knew my children as individuals. Being part of Woodside Gan was being part of a community and my children left with a love of their Jewish identity, real friendships and a confidence that made them ready for school.
