בס"ד Meet our new neighbours - Gesher Jewish School

Gesher is an OFSTED 'Outstanding' Primary School for pupils with mild to moderate Special Educational Needs, including Autism, ADHD, Dyslexia and Downs Syndrome.

Currently based in Willesden, in September they move to Pinner (the former Moriah site) with an expanded age range from 5-16.

We will hear from Sarah Sultman & Ali Durban, the founders, about their passion for providing the right to access to a Jewish education; & communal activities; whilst meeting Special Educational Needs.

They will explain the need for the school, their vision, their excitement at now being part of our community and an explanation of the Crowdfunder Scheme. Feel free to invite those with young children who might be interested.
