

SUNDAY NIGHT AT KENTON via ZOOM

OCTOBER 17, 8 pm

We are delighted to welcome back to Kenton
RACHEL KOLSKY
(Perhaps you can recognise her in the photo above)

THOSE WERE THE DAYS: GROWING UP IN KENTON

Many of us will know Rachel Kolsky as a popular, engaging, knowledgeable, entertaining and prize-winning London Blue Badge Tourist Guide. Focussing on the 'human stories behind the buildings' Rachel's talks are fun and informative and filled with anecdotes of the past and present.

With a reputation like that, it'll come as no surprise to learn - if you didn't already know - that Rachel grew up in Kenton and in her talk tonight she will share her memories of our community in the 1970s when Kenton ruled the waves - even more than it does today.

We look forward to you joining Rachel as, in her own inimitable way, she shares with us her reminiscences of the dawn of a golden age. And if you know anyone who was there with Rachel, please invite them along. This is not to be missed.
