## RABBI GEOFFREY SHISLER

BACK TO KENTON

When he will be **RUMINATING ON THE LAST 28 YEARS**

Rabbi Shisler was educated at Hasmonean High School and Jews College, where he completed a chazanut course, and then on to Trent Park where he qualified as a teacher. He commenced his career as Chazan at the Egerton Road Shul in Stamford Hill. He came to Kenton in 1973 in the role of Minister/Chazan and was with us for twenty years. He then became Rabbi to the Bournemouth Hebrew Congregation and on leaving there he occupied the pulpit of the New West End Synagogue from 2000 to 2014, when he retired. He has published books on synagogue music (much of which Kenton still happily uses, as do many shuls around the world). As well as teaching cantorial music, he has taught Jewish Studies at all levels at a variety of educational and private establishments. He has been an inspector at Jewish educational organisations, and a judge for the National Teaching Awards for a number of years. He has also served as Justice of the Peace. He is an associate member of The Inner Magic Circle with Silver Star, the only rabbi in the society!

Rabbi Shisler is married to ANNE who of course has also devoted many years to Kenton's wellbeing (often in the kitchen even when not Chairman of the Ladies Guild!).
