Dear Tribe Families

Welcome to Tribe Trumps! Battle it out to see who wins the most cards and in the process discuss aspects of the Pesach story which will jump out at you.

Each card has 3 categories to compete on.

Number means that the biggest number wins the round. The **Key Hebrew Word** wins if the value of the first letter is higher than other players. You can refer to the values card to check. **Location** wins based on how close to Jerusalem it is.

The core purpose of the Pesach Seder is to have a conversation about the Exodus from Egypt and its relevance in our lives. We hope that this activity deepens your experience and creates lots of fun.

Wishing you a Happy & Kosher Pesach.
