Australian Sports Foundation

The Australian Sports Foundation was established by the Federal Government in 1986 to help raise money for the development of sport in Australia and since then has helped raised over \$400 million for thousands of clubs and athletes to fund their sporting projects and needs.

Through our fundraising partnership with the Australian Sports Foundation (ASF), donations to the club are tax deductible. Donations can be made in one payment or by way of a five-year pledge. Please note: the Australian Sports Foundation retains a small percentage of the tax deductible donations they process. Donations below \$2,000 per annum will be recognised with membership of the Old Scotch Football Club in one of the following three categories:

Membership Categories

Gold \$1,200

- 1 x Old Scotch Football Club membership and Gold membership card
- 1 x weekly eNewsletter
- 1 x listing in OSFC Business Directory

**OSFC Standard
Membership
Packages 2019**

**Your membership will
help drive our success in 2019**

The Old Scotch Football Club Committee is delighted to introduce a new membership structure with two distinctive membership categories:

1. OSFC Standard Membership
2. OSFC Foundation Membership

For information relating to the OSFC Foundation please contact OSFC President Tim Shearer by email: tim.shearer@scotch.vic.edu.au

Fundraising is essential to the running of a successful amateur football club. In order to offer our players with first rate training practices and facilities, as well as quality coaching support, we rely on the generosity of our past players, current parents and supporters.

Through our partnership with the Australian Sports Foundation your annual donation to the club, via the ASF, will now attract a tax deduction*.

Merchandise and club events will no longer be included in the standard membership packages.

As a donor you will receive personal correspondence from the club thanking you for your gift. You will receive recognition in supporter emails, on the club website and in the club's Annual Report. You will also receive editions of the Club's e-newsletter – weekly in season and monthly out of season – and an OSFC membership card.

OSFC Standard Membership categories:

Standard Membership	Annual commitment*	Five year commitment*
Gold	\$1200	\$6,000
Silver	\$600	\$3,000
Bronze	\$300	\$1,500
Past Players	\$300	\$1,500
Player Parents (Dual Membership)	\$300	\$1,500

Our Goals in 2019

- Win the Men's and Women's premierships in Premier B Section, and return to Premier A Section in 2020.
- Win the VAFA club championship in 2019. This will be on the back of all of our teams having successful seasons.

Our story so far in 2019

- Increased Resources in both the men's & women's football programs led by Dale Bower (Men's Senior Coach) and Barry Mitchell (Men's Senior Assistant

Coach), and Ryan Duke and Brad Jenkinson (Women's Co-Coaches).

- Increased resources in our strength and conditioning, physiotherapy and medical services.
- Enhanced player leadership structures across all teams at the club, based on player feedback.
- We will field an additional team as part of the inaugural VAFA under 23 competition.
- Increased administrative resources lead by the introduction of a full time General Manager, Peter Simpson.
- Budgeted increase of approximately 30% in revenue and expenses (investment) for 2019.
- Increased numbers and \$ value of corporate partnerships (formally known as sponsorships)
- New match day and training apparel, providing a consistent and professional look.
- Building our positive relationship with our community partners/affiliates
 - Scotch College
 - Old Scotch Collegians Association
 - Methodist Ladies College (MLC)
 - Camberwell Sharks Junior Football Club
 - Victorian Amateur Football Association
 - Boroondara Council
- Our social calendar of events is locked in for the year.
- Both our corporate partners evening and season launch are being held in March at our new major partner, Australian Venue co. locations.

We need your help to drive our success in 2019!

Why do we need financial members in 2019?

- Your support will enable us to continue the story so far and hopefully deep into the finals for all teams.
- Your membership goes towards the following and more:
 - Coaching staff and coaching tools
 - Professional administration
 - Physiotherapists/trainers/rehabilitation
