# 7 LETTERS

TO SEVEN CHURCHES

## **Building Update**

**Last week:** Plumbing installation and tests are happening in the remodeled restrooms. The rough inspection at the end of the week will allow us to prepare for drywall and new stalls in the coming week! The exterior is being finished out as we all anxiously await our updated lighting for the entry and new lobby area! The doors and trim are being installed in the new space along with the painting of the exterior!

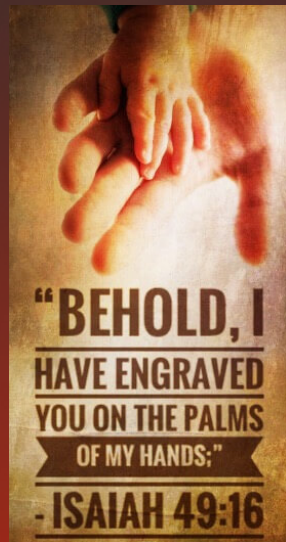

We pray for the safety of the construction team and volunteers involved with the building project. If you'd like to help support any of the endeavors HLCC has, donations can be made at **[www.highlakescc.org/give](http://www.highlakescc.org/give)** or here at the church in the 2 offering boxes. We also add a friendly reminder that it helps us keep track of our church family if you can quickly fill out the attendance cards here in the bulletin or online.
