

# AISK UNIFORM GUIDE

## AISK HAS A DEFINED DRESS CODE THAT AIMS TO:

- teach students the role appearance and neatness plays in developing a sense of pride in oneself and the school.
- maintain a degree of formality and decorum appropriate to a serious academic environment.
- include clear guidelines that are enforced effectively.
- allow parents to avoid spending excessively.
- permit reasonable comfort.

### UNIFORM POLICY

Adherence to the uniform policy is about respect. Disregard for the uniform policy will have students taking responsibility for their uniform choices. Parents support uniform choices by purchasing the correct uniform.
