

12th Annual Spring Players Clinic

Managed by Westlake Varsity Baseball Coach J.T. Blair
Saturday, February 16, 2019

What:

Western Hills Little League, in cooperation with Westlake's varsity head coach J.T.Blair, and the Westlake baseball coaching staff, announces the Spring Baseball Player Clinic.

The player's clinic will involve the teaching of skills and age specific drills necessary to becoming a better ball player. Westlake varsity baseball players and their parents, will be in charge of skill stations where the basics of throwing, hitting, fielding, and running will be explained, and demonstrated. The camp participants will then be put through age appropriate drills, to reinforce the proper techniques, as they rotate through multiple stations. Following the event there will be lunch, other activities, and a varsity home run derby.

Coach Blair will also be available to discuss baseball related topics such as proper equipment for young players, what you can do as a parent to help your player, and "select" baseball, for example.

Players should bring their helmet, glove and bat (we'll have some limited equipment they can use if they are missing anything). Please make sure to label all equipment.

Who:

Open to all players ages 4-12.

When:

Check-in and registration will be at the event and will open at 9:00. The clinic will be from 10:00 – 12:00 am on Saturday, February 16, 2019. The lunch and home run derby will be from 12:00 – 2:00 (parents will need to attend the lunch and other activities with their player).

Cost:

The cost of the clinic is \$50.00 (sign-up before Feb. 13) which includes lunch from Chik-fil-A, activities after the clinic and a clinic T-shirt. After Feb. 13th the cost is \$60.00.

Where:

Westlake High School baseball field (this year with a new turf infield!), off Camp Craft Road, behind the football stadium.

Sign-Up:

Space is limited and every year has sold out! To reserve a spot, go to: whll.org, create an account or sign in and the clinic will be available to purchase.
