

CEDAR CREEK BOOSTER CLUB

Welcome back to school!

Our teachers and staff challenge our children and instill in them a life-long love of learning. As parents, we can assist by providing them with the tools they need; supplies, continuing education, resource materials and facility improvements. All of that is possible with **YOUR** active participation in the Cedar Creek Booster Club.

May we rely on your contribution today?

Please consider an individual and/or a business contribution today.

Every gift goes towards enhancing your child's educational experience and supporting our teachers. Every dollar received through Booster Club Sponsorships **stays** at Cedar Creek Elementary.

Checks made out to CCBC, can be dropped off in the front office or you can donate online. Donate by **September 30th** to be recognized on the sponsorship banner and on the Booster Club website.

Be sure to attend our first Booster Club meeting, Friday September 14th, at 8:00 am. Your support will have a lasting impact.

Thanks in advance!
