The class will be offered daily, **Monday through Thursday**. # EXPECTATIONS

## ATTENDANCE

Regular school attendance guidelines will apply. Students will be met each day, prior to class, to gather and walk to their class with their teacher. Being on time is important, as stragglers will cause a delay in the start time for classes. A note is required to enter class if the student is absent for any reason. If, for any reason a student must leave class, she/he must check out through the summer school principal's office.

## SNACKS

Students are encouraged to bring nutritional snacks from home. Students will be allowed to eat snacks during this break.

## TRANSPORTATION

Transportation is available through the district. When you register your student on the next page, please indicate whether you will be providing your student's transportation or you will be using the district-provided transportation. Students will be picked up and dropped off at a location at or near their addresses.

## DRESS CODE

Students should dress in a manner that is clean and neat and that will not be a health or safety hazard to themselves or others. Dress code standards for the regular school year will apply.

## CONDUCT

Students are expected to comply with all elementary school conduct requirements outlined in the *2018-2019 Student Code of Conduct Handbook*.
