

The Westlake Robotics team is excited to host the Girls in STEM Workshop again this year on the MLK school holiday, Monday, January 21<sup>st</sup>, 2019.

Visit the robotics team website for more information and for a link to register on the Eanes Community Education website: <http://www.frc2468.org/mlk-day-camp/>

Girls' Workshop highlights:

- Preview Westlake High School Robotics under the mentorship of girl team members
- Grades 3-5 and 6-8
- Open to girls in the community – Eanes, private school, homeschool, & other district students welcome!
- Eanes ISD teacher
- Supervised by Robotics Coach Norman Morgan
- Registration open now at Eanes Community Education:
