Igniting Our Mission

While we are unable to be together at the Water Club for our annual President's Club dinner this year, I would like to thank each one of you for your support of the Prep over the last 20 years. Your contributions allow us to continue our mission of forming leaders committed to faith, scholarship, and service through a college preparatory education in the Catholic Jesuit tradition. And, your support during this very challenging year has allowed us to safely welcome back our students to campus and provide tuition assistance to the 122 Rams whose families are faced with Covid-related financial hardships.

You have, as always, my profound gratitude.

Sincerely,

Rev. Christopher J. Devron, SJ
President
