LuHi Meal Packing Event

April 7-9, 2019

LuHi Visscher Gymnasium
131 Brookville Road
Brookville, NY 11545

Our Goal

Our goal is to pack 300,000 meals to feed 500 individuals every day for a year. These meals are a nutritionally balanced rice or pasta mix including protein, vitamins and minerals and need only water to prepare. You, along with hundreds of volunteers, will physically pack the meals that will be used locally and around the world.

This is the ninth year LuHi is hosting this event on our Brookville, NY campus. It is open to all churches, religious denominations, youth groups, community organizations, schools, businesses, scouts and other groups, families or persons who want to participate. All children are welcome, however, children under the age of 10 need to be accompanied by a parent.

To date, Long Island Lutheran has packed over 2,500,000 meals in our fight to end childhood hunger.

The funds to purchase the food will come from donations like yours. Every \$60 donated covers the food expense for one person to take part in a 2-hour packing session. However, donations in any amount are gratefully accepted. Please note that 100% of all donations are used to purchase meal supplies.

A few notes about donations:

- ~ Donations of all sizes are encouraged and appreciated.
- ~ Corporate sponsorships are also encouraged!
- ~ Donors can choose to have contributions of \$60 or more sponsor other persons who want to pack the food.
- ~ Thrivent members can apply for an Action Team to cover five volunteer slots.
- ~ Making a donation does not obligate you to take part in the meal packing.
- ~ Donations must be received by February 11, 2019 to ensure delivery of food in time for the event.
