

Mercy McAuley Learning Contract 3RD QUARTER

Student Name: _____

Class of (CIRCLE): 2021 2022 2023 2024

As a family we elect to have _____ (Student's name) attend school virtually for the __3rd__ quarter.

We agree to the following expectations:

- The student will fully charge her computer each night and will shut down her computer regularly.
- The student will use the school issued technology for class.
- If the student has tech issues, she will immediately contact Mr. Allgeier at allgeierj@mercymcauley.org for help.
- Student will log into all classes on time. If a student is tardy, she will be marked as such and will receive conduct points.
- Student will interact with the class and class materials fully.
 - Answer when called upon
 - Complete work at the same time as face to face classmates
 - Ask questions when confused, either using the chat or the microphone
- Student will be accountable for completing any homework assigned.
- Student will meet all established deadlines for completion of work.
- Student will have her microphone off unless answering a question.
- Student will only use allowable resources during assessments. Students may not use notes, texts, or phones.
- If a student is absent, parents must call into the attendance line.
- If the student is assigned to Guided study hall, she will interact with the proctor during the assigned period.
- The student will attend all den meetings, class meetings and Tuesday TEA sessions virtually. Attendance will be taken; if a student misses, it will be considered skipping a class and will result in a detention.

Please note: Teachers will be making course materials available on Blackboard and will be holding live sessions for each bell. Students interacting virtually need to be comfortable reaching out to the teacher and participating in class; each teacher will establish how this participation will occur. Students can still get small group and individual help during Thursday TEA by scheduling an appointment with their teachers. Teachers can hold those meetings through Teams. In addition, school counselors, intervention specialists and administrators are available to meet with virtual students via Teams.
