*** Students may carpool provided they comply with all DMV rules and restrictions ***

I understand that driving to Mercy High School is a privilege and that my permit may be revoked at any time if I choose to act in any way that could be defined as disrespectful, irresponsible, or unsafe.

Student Signature

I am aware that my student is applying for a parking permit to Mercy High School. If given one, she could lose her parking privileges at any time for acting in a disrespectful, irresponsible, or careless way. I understand that should this happen, I will not receive a refund of any kind. I am also aware that any damage that occurs to a car on campus is not the responsibility of the school and should be dealt with between families.

Parent Signature

I understand that as a Mercy student, there may be rare occasions when I am asked to park in a lot that is owned and monitored by the Sisters of Mercy. I agree that my language and behavior will be appropriate and respectful at all times. I WILL DRIVE SLOWLY entering and exiting the campus, as there are many elderly people near the Sisters' facilities. I understand that I am to return immediately to my car after class and not loiter in the parking lot under any circumstances.
