The New School Field Experience Agreement

Student Name:		DOB:	<u> </u>
First	Middle Last		

Throughout the school year, students attending The New School will have the opportunity to participate in various off-campus activities. In order for students to be eligible to participate in off-campus activities, the below Continuing Agreement and Release must be executed by the student's parent or legal guardian and returned to the School prior to the student's participation in any off-campus activities. In addition, this Continuing Agreement and Release will apply to each of the off-campus activities in which the student engages in the same way as if the parent/legal guardian had executed a separate release for each activity. The Continuing Agreement and Release will remain effective for the remainder of the 2018-2019 school year unless and until the parent/legal guardian withdraws it by providing the school with a separate written document notifying the school of the withdrawal. In the event of withdrawal, the student will no longer be eligible for participation in any future off-campus activities during the 2018-2019 school year. In executing the Continuing Agreement Release, I acknowledge and agree to the following:

1. You certify that you are the parent or legal guardian of the child and understand that this Continuing Agreement and Release is given in a material inducement for the School to allow the child to participate in off-campus activities.

2. You give permission for the child to participate in various off-campus activities during the 2018-2019 School year.

3. You authorize the School, its employees and agents, to provide or request that third parties provide health care services to your child, at your expense, as deemed necessary in connection with such off-campus activities.

4. You release and waive (individually and on behalf of the child) any claims against the School, its employees and agents arising from any injury, loss, or damage resulting from your child's participation in any off-campus activity, including (a) claims for injuries, loss, or damage arising from any act or omission by the School, its employees or agents, or by any transportation service, hotel, restaurant, or any other person or entity providing goods or services in connection with the activity; (b) claims or liability for the reasonable decisions or actions taken by the School, its employees or agents, to protect the health and safety of your child; (c) claims or liability resulting from the School, its employees or agents providing health care services deemed reasonably necessary under the circumstances. You also agree to indemnify the School for all injury, loss, or damage that your child may cause to School property or to the property of third parties.

I have read this Continuing Agreement and Release and my signature below, I agree to each of its terms. I understand that I will be provided with information regarding each of the off-campus activities in which my child will participate. I also understand that I may need to provide consent for my child to participate in each such activity.** ** Please note that we may require an additional waiver for certain activities.
