

EMBRACE CHALLENGE,
DISCOVER YOURSELF.

Greetings from the College Office!

We are a few weeks away from the start of the school year, and we really look forward to having our campus busy again with students and families.

Seniors, parents and family members

Please continue to meet and stay in contact with your counselor. We are around to help!

Reminder – the main college essay and Common Application should be completed before the start of the school year. This will allow students time to work on extra essays that certain colleges require from their applicants.
