

PCconnect
Friends & Family Open House
Tuesday, Oct. 2, from 8:30 to 10 a.m.

DEAR PENN CHARTER FRIENDS,

Those of you who have attended an Admissions Open House as an applicant or a volunteer know how incredibly crowded those Penn Charter events have become.

While we are delighted by our school's popularity in this competitive independent school market, it can be difficult to provide visitors with the attention they deserve.

Because so many of our most wonderful applicants for admission are people referred to us by you, our community members, **we have decided to offer a pre-K to grade 12 Friends and Family Open House on Tuesday, Oct. 2, from 8:30 to 10 a.m.**

Our goal with this event is to provide prospective families referred to us by current parents, faculty and staff, and OPCs with a more satisfying visit, including:

- **more interaction with teachers and administrators**
- **more personalized campus tour**

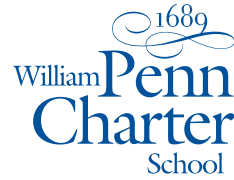

As a courtesy, we will waive the application fee for prospective families who attend the **FRIENDS & FAMILY OPEN HOUSE.**

Please share this information or postcard with friends and/or coworkers who are interested in learning more about independent schools, Quaker schools, and Penn Charter. Or send them to www.penncharter.com/PCconnect to save a space for the October 2 event.

Thank you for your support of PC

Penn Charter Admissions Team!
