NATAN@RAMAZ is a parent volunteer group aimed at extending a helping hand to the greater Ramaz community (e.g., parents, teachers, employees, etc.), in times of life cycle events, such as births, deaths, and medical or natural emergencies. If you are experiencing a life cycle event within your family, or learn of any friends or peers experiencing one, please inform any member of the Natan@Ramaz committee so we can reach out and offer support. If you would like to become involved in Natan@Ramaz or if you have any questions, please contact us at natan@ramaz.org.
