

November 2, 2018

Dear Parents,

Grandparents' Day this year is on Friday, November 16. The Shelton Parents' Association provides a continental breakfast beginning at 9:00 a.m.

Grandparents received their invitation in the mail, which included a nametag with important information about their grandchild's room. **Registration is not necessary if a grandparent comes with their nametag.**

The program begins at 9:00 a.m. in the gym and includes student performances. At the conclusion of the program, grandparents visit their grandchild's/grandchildren's classroom for presentations by the class and a conversation time. The visit concludes at 11:30 a.m.

Students, who have a note giving parental permission, may leave with the grandparents. Parents may also email their child's advisor to give their permission.

All remaining students will have early dismissal as follows:

Lower (EC – 2)	11:30 a.m.
Upper Elementary (3-5)	11:45 a.m.
Middle (6-8)	11:30 a.m.
Upper (9-12)	12:00 p.m.

We look forward to Grandparents' Day, which is everyone's favorite day of the year. The students and staff love having the grandparents here.

Sincerely,

Suzanne Stell
Executive Director
