JUNIOR SCHOOL

- **Full-time in-school instruction** for Kindergarten and Grade 1 students.
- **50/50 in-school and at-home learning** for Grade 2 - 5 students.
- **Grade 2 - 5 students with siblings in Kindergarten and Grade 1** will be in school full-time and alternating each week between in-school online learning with a teacher supervisor, and in-class learning with their homeroom teacher.
- **Grade 2 - 5 siblings who have siblings within these grades** will be at school learning and out of school in at-home learning on the same days.

Our Stage 3 plan is designed to maximize the learning time for our youngest students and to provide a coherent and consistent learning programme for students in Grades 2-5.

Grades 2 - 5 have alternating in school and at home schedules to ensure continuity of instruction, access to resources, and social interaction with peers which we know is essential during this pandemic.

When in school, all students and teachers will follow the same protocols under Stage 2:

- Students are assigned to a cohort
- Hand sanitizing on entry and exit
- Physical distancing in common areas and the outdoor play areas
- Optional wearing of masks for students
- Specialist teachers, RTs, and all other teaching and non-teaching staff wearing masks throughout the day.
- Staggered arrival and departure times
- Staggered entry and exit during recess breaks
