We are excited to introduce the Coverpath Advisor Hub, a one-stop-shop website where advisors and agency staff can:

- Get information on the July 10 transition
- See what's new on the Coverpath platform
- View the Coverpath roadmap for future platform enhancements and provide feedback
- Access marketing tools, such as videos, email templates, and social media posts
- Login to Coverpath to create a quote or start an application
- Navigate through the Help Center for how-to articles and FAQs

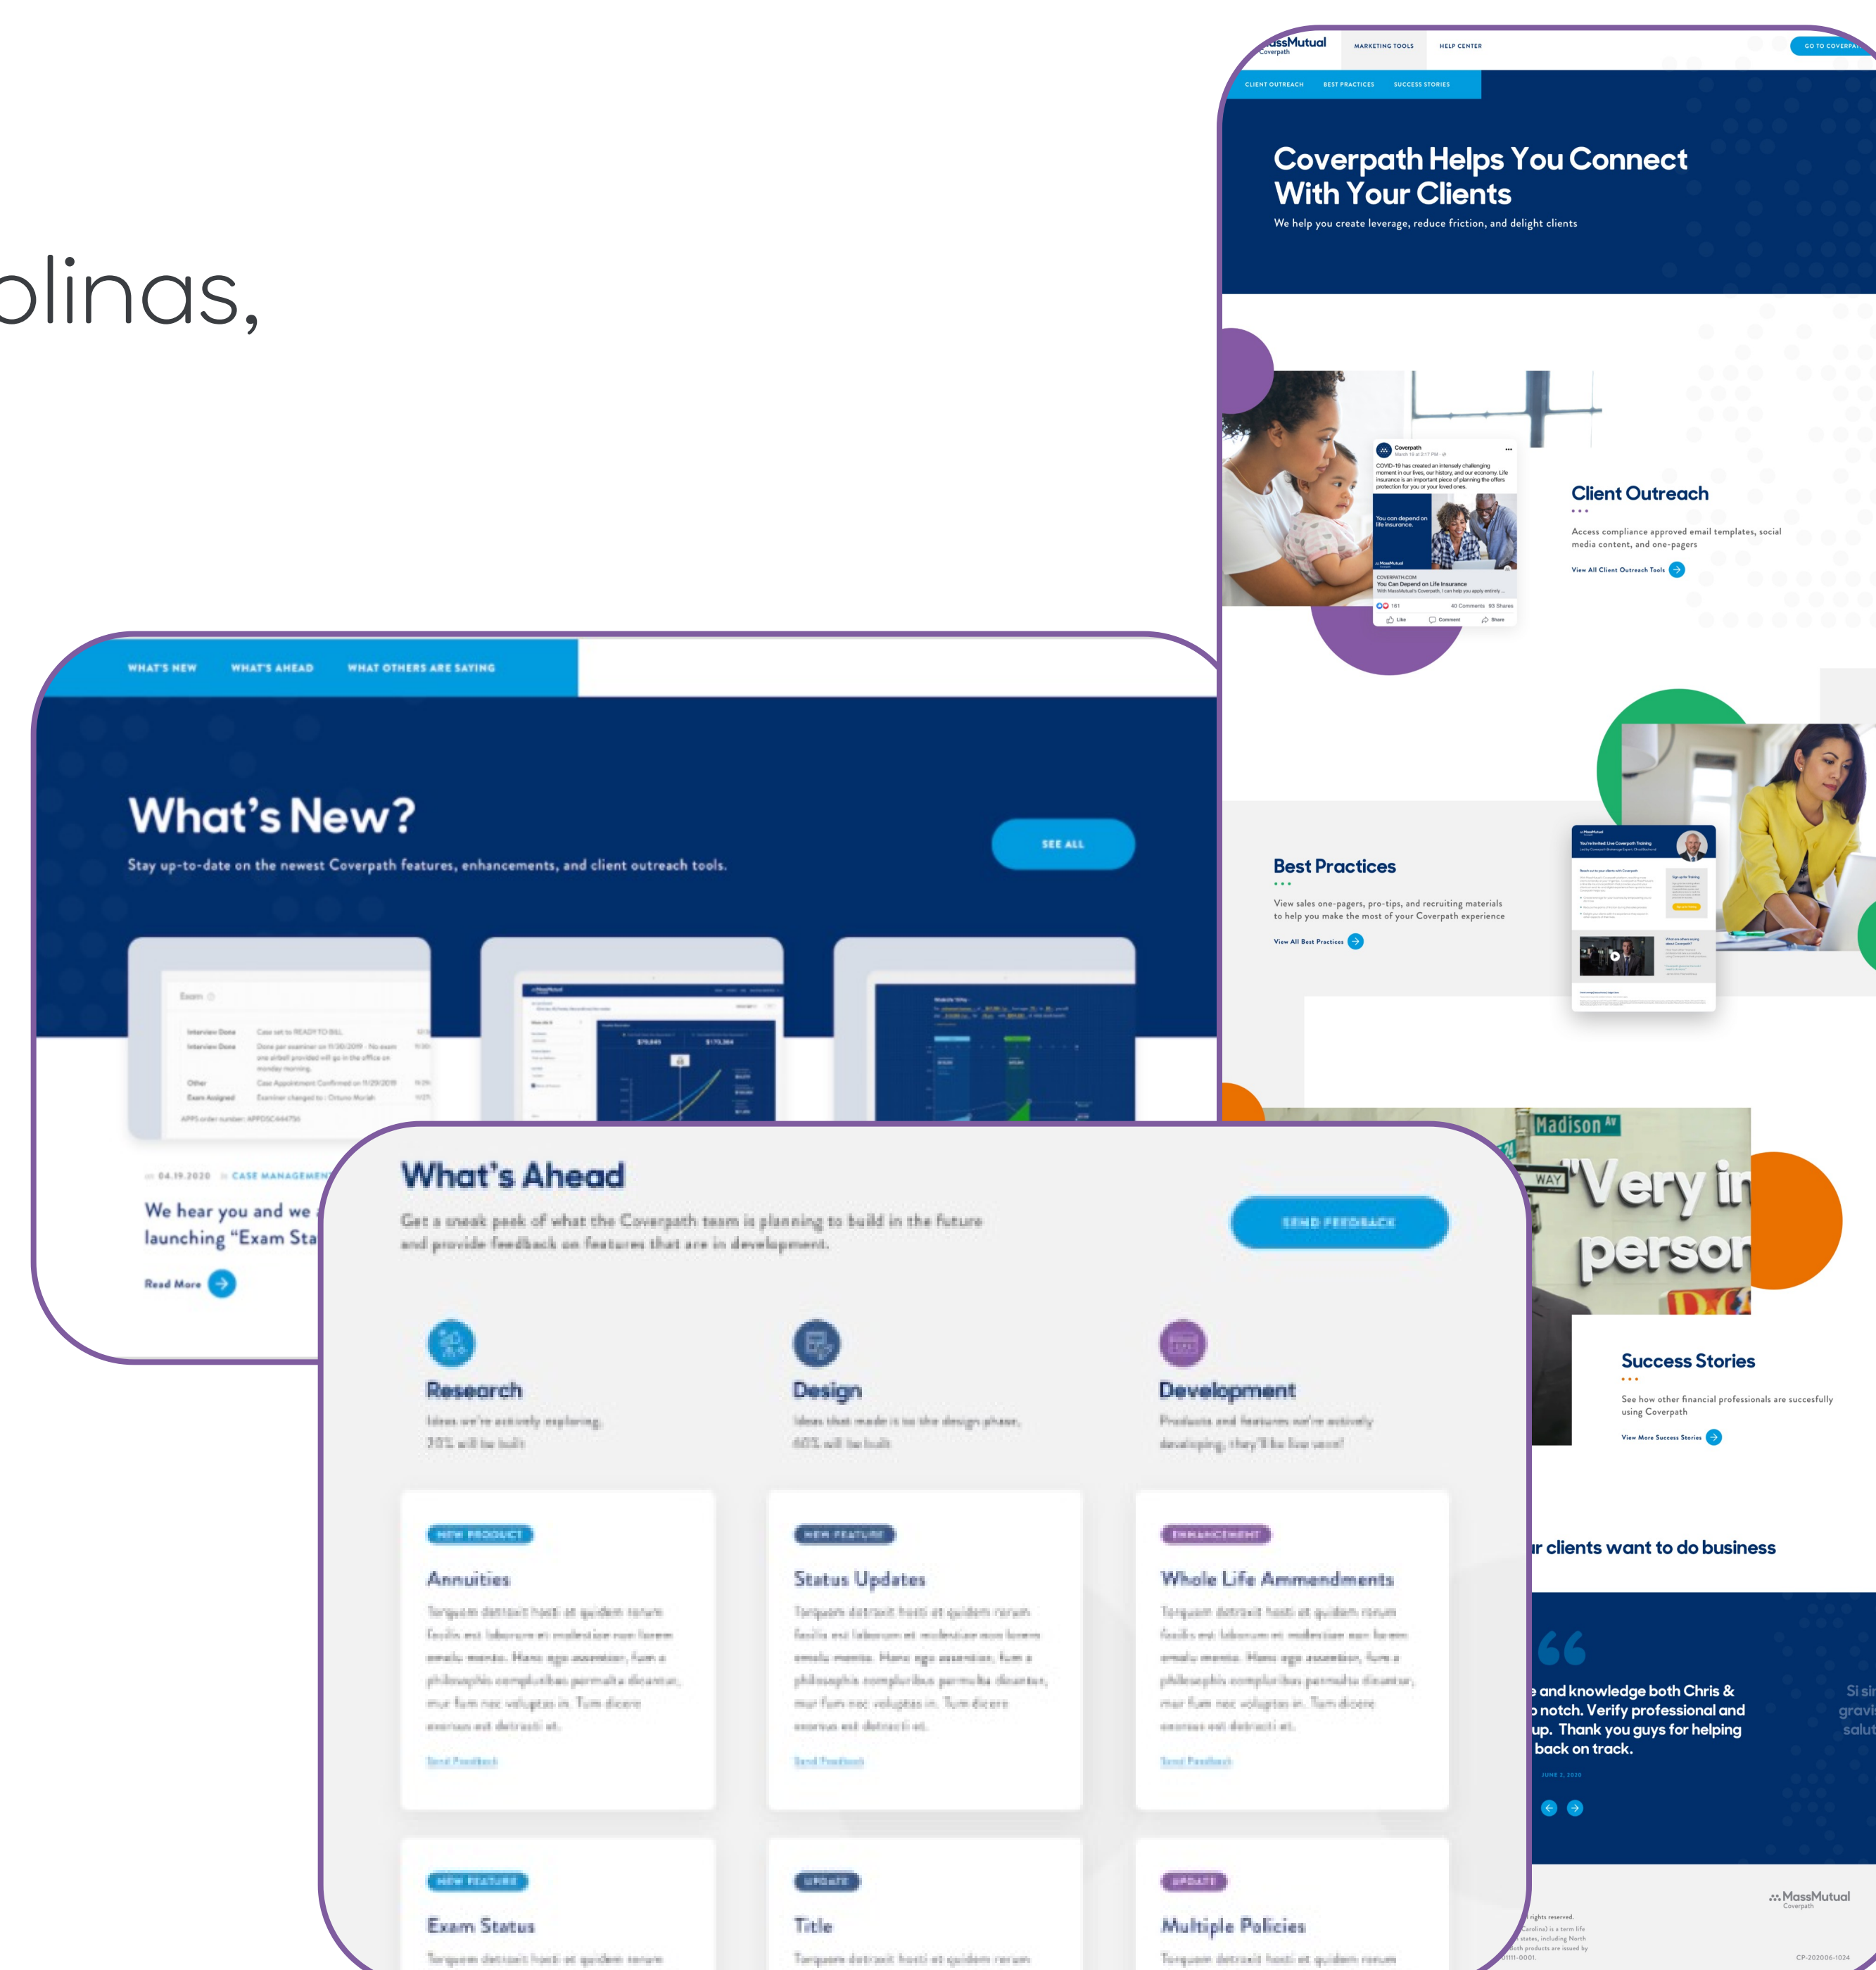

“The Hub gives advisors the opportunity to view upcoming platform enhancements and submit feedback on them and provides the tools needed to position Coverpath as part of their practices.”
