

THIS IS MY... WEEK AT CAMP!

YMCA OF BUCKS COUNTY
Doylestown
Week 1 Edition

Message from the Director

Dear Y Camp Families,

Welcome to YMCA of Bucks County summer camps! Summer time is upon us, and we are excited to 'blast' into summer this week during Outer Space week here at YMCA of Bucks County - Doylestown.

Whether it is your first experience with us this summer, or you are returning to camp again, we hope you will feel welcomed, known, and supported throughout your days at camp. Our 2019 Summer Camp theme is **THIS IS ME**. We hope that this week, and every week, your camper is empowered to march to the beat of their own drum to our THIS IS ME theme.

We will be providing you with information each week to keep you informed and prepared for the BEST SUMMER EVER!

I look forward to seeing you this week!

LET'S CONNECT:

Meet your Site Coordinator!

Summer is here! Time to get outdoors and engage in new and meaningful experiences. Although I have been teaching for the last 21 years in the Central Bucks School district, I know that learning is not limited to the classroom. Summer camp is where we get to learn about ourselves, tackle new challenges, and celebrate accomplishments. It is about personal growth and fun! This summer our campers will feel known, valued, and supported. We are committed to building community through relationships forged on the sports field, in song, and at play. I am so glad that you will be joining my family, yes my wife and six kids are also involved with the Y, as we make new summer memories.

Jim "Doc" Massey

Fun Friday

This Friday, we will be celebrating the end of a great week with Astronaut training. We are also welcoming Discount Bounce to our facility, where our campers will be able to jump and defy gravity on a 5-in-1 inflatable moon bounce.
