

FIVESTAR

REGISTRATION SYSTEM

Buckeye Valley Family YMCA

We are very excited to announce that the **YMCA DAY CAMP** has partnered with Five Star Registration System, an online forms and data management service that will be replacing paper forms. Five Star Registration allows you to complete and sign enrollment forms for your children. The most exciting news is that Five Star Registration saves data from year to year, meaning that you will never need to enter the same information twice! Five Star Registration also pre-populates information wherever possible, saving you time for each of your children.

You may review your data at any time to verify it is current. You will be required to sign your forms once per year and after any update.

Parent Instructions are attached to get started in Five Star Registration.

We are asking that ALL parents/guardians of children use the Five Star Registration.

IMPORTANT:

- *You must provide your current PARENT/GUARDIAN EMAIL during the YMCA online camp registration.*
- *Once registered through the YMCA, you will receive an account confirmation email from Five Star Registration. **You have 2 weeks to confirm your account from the date of the invite, you only have 72 hours after requesting enrollment online and being sent the Five Star invitation to complete your forms or your registration spot will not be held at camp.** Please click the link in the account creation email and follow the steps to log in and enroll your child(ren) in Five Star. *Note enrollment in Five Star does not equal enrollment in Day Camp, you must have also registered online through the YMCA to be eligible for enrollment.*
- ***Please check your spam folder if you do not see this right away, this email will come from no-reply@app.gofivestar.com. For any issues please email: support@gofivestar.org***
