- Instructor: Wade Kramm
- Special weekly visits every Friday
- \$285 members / \$315 non-members

This full-day themed summer camp features a mixture of physical activity, STEAM discovery, games in our gymnasium, and outdoor time in the sunshine. Your child will never be bored – we'll be exploring new adventures each day and new themes every week. It's our goal to provide a safe environment for your child to make memories, meet new friends, and explore their unique talents and interests.

**6/7 –
6/11**

Mission to Mars Camp

For this one-week mission, you will learn to think and solve problems like real NASA engineers! Through fun, hands-on activities, we will apply science, technology, engineering and math (STEM) skills to solve fun challenges facing our trip to Mars. Our mission will include landing safely on the planet's surface, creating space vehicles to pick up and collect rock samples and designing a rocket to blast off back to earth.

**6/14 –
6/18**

Toys That Move Camp

The physics of play toys are even more fun when they can move by themselves! With a few basic construction skills and some help from physics you can create fun, kinetic toys such as marble runs and rubber band powered cars. Each day we will discover new ways to set materials in motion using gravity, wind, stored energy, and motors.

**6/21–
6/25**

Minecraft Camp

All week Mr. Wade will lead Minecraft-centric activities and projects that will have your kids talking all Summer! Note: there is no actual playing of Minecraft in this camp. The themes, worlds, and characters of the games serve as a springboard for our adventures!

**6/28–

Specialty Camps: Enrichment

Little Vet School: All About Cats (STEM)

June 7 - 11 | 9:00 a.m. - 12:00 p.m. | Ages 5 - 8

\$250 members / \$275 non-members

Become a purr-fect veterinarian! This camp encourages children to explore the exciting world of veterinarians. Using interactive demonstrations, crafts and games, kids learn how to take care of a cat and use the instruments that real veterinarians use. All participants receive a stuffed kitten patient.

Ceramics Camp

June 7 - 11 | 12:00 - 3:00 p.m. | Ages 5 - 8

June 21 - 25, July 5 - 9, July 19 - 23, or August 2 - 6 | 1:00 - 4:00 p.m.

\$175 members / \$185 non-members

Come and play and create with clay! Learn skills and techniques to craft amazing animals, small bowls and vases, and more. Watch imaginations and confidence grow with idea generation while bringing bright 3D objects into reality!

Mad Science: Brixology

June 14 - 19 | 9:00 a.m. - 12:00 p.m. | Ages 5 - 10

\$215 members / \$225 non-members

Join us for Brixology, where campers will use unique Mad Science designed LEGO® kits to build a different engineering-themed project each day! They will use critical thinking, cooperation, and creative problem-solving to test and improve your creations. Each day will revolve around a different engineering theme—including mechanical, structural, and nautical engineering. Brixology sets the foundation for our next generation of makers!

Little Vet School: All About Dogs (STEM)

June 14 - 19 | 1:00 - 4:00 p.m. | Ages 5 - 8

\$250 members / \$275 non-members

Become a paw-some veterinarian! Campers will role-play the key responsibilities of a veterinarian and learn how to care for a dog. These future veterinarians will learn how to remove ticks, perform a nose-to-tail exam, understand proper animal nutrition and hydration, suture lacerations, and more! All participants receive a stuffed puppy patient.

Gemini Theatre Camp

June 21 - 25 or July 12 - 16 | 1:00 - 4:00 p.m. | Ages 7 - 12

\$175 members / \$185 non-members

This moderately structured camp will unlock a child's creativity and take him/her on a week-long adventure into the imagination! Young actors choose their own characters and put them all together into an original story, which they write, rehearse and perform as a mini play on the last day of the workshop. While having fun and making new friends, each child will improve his/her ability to listen, follow directions, compose a story, understand conflict & resolution, develop a character, accomplish an objective, collaborate with peers, perform in front of an audience, and use the imagination.

Bigfoot Camp

June 28 - July 2 | 1:00 - 4:00 p.m. | Ages 5 - 10

\$135 members / \$155 non-members

A summer camp favorite! Can you find Bigfoot? Or a Sasquatch? What about a Yeti? Join us on walks around Lauri Ann West's grounds in search of these creatures. We'll learn about different cultures and the lore of these creatures through stories and crafts. We've heard it can get pretty squatchy around here!

Wilderness Medicine Camp (STEM)

July 5 - 9 or August 2 - 6 | 9:00 a.m. - 12:00 p.m. | Ages 5 - 8

\$250 members / \$275 non-members

Conquer the great outdoors! Campers will role-play emergency situations in the wild and learn how to prepare for natural disasters. These future emergency medics will learn about snake bites, hypothermia, tourniquets, poisonous plants, edible plants, distress signals, forest fires, tornadoes, mosquito bites, and more!

Mad Science: Red Hot Robots

July 12 - 16 | 9:00 a.m. - 12:00 p.m. | Ages 5 - 10

\$215 members / \$225 non-members

A session of fun with amazing robots! Learn about the uses of robots in our world and spend time experimenting with super cool red-hot robots. Discover the science of circuits and how robots use sensors to explore things around them. Use your skills to build your very own working robot to take home with you! Price includes a take home robot.

Little Doctor School (STEM)

July 19 - 23 | 9:00 a.m. - 12:00 p.m. | Ages 5 - 8

\$250 members / \$275 non-members

Inspired learning today - healthy futures tomorrow! Campers will role-play the key responsibilities of a doctor and learn about vital organs in the human body. These future doctors will learn how to use a stethoscope, blood pressure cuff, and reflex hammer. They will practice administering first aid, learn how pharmacists play a role in administering medications, and more!

Specialty Camps: Ballet

Pittsburgh Ballet Theatre

Your child will discover the magic and enchantment of different classical ballets alongside a Pittsburgh Ballet Theatre dance instructor. In these camps, young dancers will develop the foundations of ballet technique, engage in thematic arts & crafts, learn the story through movement, and much more.
