

Make a shopping bag from extra t-shirts

1. Fold the shirt in half.

2. Cut along the inside of the seams of the sleeves.

2. Unfold. Cut neck to a deep U to create the handles.

3. Turn shirt inside out. Smooth bottom edges.

4. Cut strips along the bottom (1 inch X 4 inches?). Make the length even.

5. Tie strips together to create the bottom of the bag.

6. Close the gaps by tying the top strip to the adjacent strip. Double-knot the end to reinforce.

8. Turn the bag inside out and—Voilà!
