

**A FRESH DESIGN AWARD IN PARIS FOR CREATIVE THINKERS AND MAKERS.**

## PRESS RELEASE

Tuesday 19th May 2020 - Check out the winners of the  
DNA PARIS DESIGN AWARDS 2020 !

## WINNER ANNOUNCEMENT

.

**DNA Paris Design Awards** is a international award created to discover and celebrate fresh and creative designs from all around the world. We've received hundreds of entries from more than 70 countries ! And once again the competition gathered the best of design in **Architecture, Interior, Landscape, Product and Graphic.**

We are now ready to give you the winners thanks to the sharp eyes of the personalities from our jury including **Maurizio Cattelan & Pierpaolo Ferrari (Toiletpaper), Perrin Drumm (Eye on Design)** and **Romain Colin (Fubiz)** among others.

(University of Houston)

# AWARDS CEREMONY

With the current situation we are really hoping that we will be able to organize the Awards Ceremony for the DNA Paris Design Awards in 2020.

We will try our best, if global conditions allow, to make it happen before the end of the year.

Hopefully, we will be able to bring our designer & creative community all together in Paris to celebrate the winners!
